Pursuant to Section 5600.4 of the Business and Professions Code, Chapter 3, Division 3:

- (a) The board shall issue, upon application and payment of the fee fixed by this chapter, a retired license to an architect who holds a license that is current and active or capable of being renewed pursuant to Section 5600.2 and whose license is not suspended, revoked or otherwise punitively restricted by the board or subject to disciplinary action under this chapter.
- (b) The holder of a retired license issued pursuant to this section shall not engage in any activity for which an active architect's license is required. An architect holding a retired license shall be permitted to use the title "architect retired" or "retired architect."
- (c) The holder of a retired license shall not be required to renew that license.
- (d) In order for the holder of a retired license issued pursuant to this section to restore his or her license to active status, the holder of a retired license shall comply with Section 5600.3.

To apply for a retired license, please complete this application, attach a money order or certified, cashier's, or personal check in the amount of \$200 made payable to the CALIFORNIA ARCHITECTS BOARD, and mail both to 400 R Street, Suite 4000, Sacramento, CA 95814. DO NOT SEND CASH. For more information, see the reverse side of this application.

IMPORTANT PLEASE READ CAREFULLY

WALL CERTIFICATE - - Please return your **original** wall certificate (if available) to the Board of Architectural Examiners with this Application for Retired License. Upon issuance of a retired license, the Board will issue a new “retired license” wall certificate. If your original certificate is no longer available, please include a brief statement certifying this.

Section 5600.2 of the Business and Professions Code, Chapter 3, Division 3, states in part:

“Except as otherwise provided in this chapter, a license which has expired may be renewed at any time within five years after its expiration on filing of application for renewal on a form prescribed by the board, and payment of all accrued and unpaid renewal fees. If a license is renewed more than 30 days after its expiration, the licenseholder, as a condition precedent to renewal, shall also pay the delinquency fee prescribed by this chapter....”

Section 5600.3 of the Business and Professions Code, states in part:

“A license which is not renewed within five years after its expiration may not be renewed, restored, reissued, or reinstated thereafter. The holder of the expired license may apply for and obtain a new license only if he or she pay all the fees, and meets all of the requirements set forth in this chapter for obtaining an original license....”

An architect’s license must be renewed and kept in good standing in order for the architect to practice architect in the State of California. The practice of architecture by any individual whose license is not current and in good standing, for any reason, is punishable as a misdemeanor under Sections 5536 and 5536.1 of the Business and Professions Code.
